

“Ways to Pay” & Guidelines

World Hope Mission Trip

Our priority is to try and make the payment process for our mission trips as easy as possible for our travelers. We are a small-staffed Missions Organization, doing God-sized tasks, and would appreciate your help in the process of paying for your trip. Below you will see the possible ways you can make payments for your trip.

1. Cash payment.
2. Check or money order. This is our best step in payments. We will be able to keep copies of these in your files to help with tracking your totals. This will keep us from paying merchant fees.
3. Credit Card (Please read the bottom of this page carefully.)

Please send to, World Hope, attention: Trips Department, 500 S. Semoran Blvd, Orlando, FL, 32807 along with the completed “Trip Coupon Log Sheet” (you can find on our website).

PLEASE READ THE FOLLOWING CAREFULLY:

- Please keep your assigned financial deadlines with you and turn your payments in on those dates.
- Please do not rely on someone else to turn your funds in for you to the World Hope offices. As this often holds up the process.
- Please keep a personal log of your payments (checks, cash, online giving). You will need this for financial records and to properly thank your supporters.
- We can set up an online account for each traveller. Online payments require a merchant charge of 5%. If you, or your travel supporters, choose to pay online, please remember there is a 5% charge per transaction. So you will need to plan your fundraising accordingly. We want to use the Lord’s money wisely and avoid these fees when possible.
